*Perfect weather for Hi-Fi show!! @ Tokyo International Forum*

Not only the audiophiles, but also the exhibitors like us, everybody's been waiting for this event for years.  
Based on the sufficient infection control, though the TIAS 2022 was by advance reservation only and opened the venue at one-third-capacity, we had 3,232 visitors during the sessions, the weather was perfect, it's great to see everybody just had fun with superb sound of luxury audio equipment.

Accuphase unveiled the 2 new models, Integrated Amp E-5000 as the 50th anniversary model and the precision stereo Pre-amp C-2900.
